Notice – exchanging information with other insurers

Insurers pass information to the Claims and Underwriting Exchange Register run by Insurance Database Services Ltd (IDS Ltd) and the Motor Insurance Anti-Fraud and Theft Register, run by the Association of British Insurers (ABI). The aim is to help us to check the information provided and also to prevent fraudulent claims. When we deal with your proposal for insurance, we may search these registers. Under the conditions of your insurance, you must tell us about any incident (such as an accident or theft) which may or may not give rise to a claim. When you tell us about an incident, we will pass information relating to it to the registers.

Your policy details will be added to the Motor Insurance Database (MID), run by the Motor Insurers' Information Centre (MIIC). MID data may be used by the DVLA and DVLNI for the purpose of Electronic Vehicle Licensing and by the Police for the purposes of establishing whether a driver's use of the vehicle is likely to be covered by a motor insurance policy and/or for preventing and detecting crime. If you are involved in an accident (in the UK or abroad), other UK insurers, the Motor Insurers' Bureau and MIIC may search the MID to obtain relevant policy information.

Persons pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

You can find out more about this from us, or at www.miic.org.uk

You should show this notice to anyone insured to drive the vehicle covered under this insurance.
