It is essential that every Proposer when seeking a quotation to take out or renew any Policy disclose to the Underwriters all material facts and information which might influence the judgement of the Underwriter. Failure to do so may invalidate or lead to the cancellation of the Policy. If you have any doubt as to what constitutes a material fact, please do not hesitate to seek advice. Insurers pass information to the Motor Insurance Anti-Fraud and Theft Register, run by Association of British Insurers (ABI). The aim is to help us to check information provided and also to prevent fraudulent claims. When we deal with your request for insurance, we may search the register. Under the conditions of your policy, you must tell us about any incident (such as accident or theft) which may or may not give rise to a claim. When you tell us about an incident, we will pass information relating to it to the register.

We and You are free to choose the law which will apply to this policy. Unless agreed otherwise with you, this insurance is governed by English law.

Our liability does not operate until you have been issued with a cover note or Certificate of Insurance.

We aim to provide a quality service. However, if you feel we have not met your expectations, full details of our complaints procedure are set out in your insurance policy.

MOTOR INSURANCE DATABASE

Your insurance cover details will be added to the Motor Insurance Database (MID), run by the Motor Insurers Information Centre (MIIC). This has been set up to identify uninsured drivers, and may be searched by the police to help confirm who is insured to drive. If there is an accident, the Database may be used by insurers, MIIC and Motor Insurers Bureau to identify relevant policy information. You can ask for more information about this. **You should show this notice to anyone insured to drive the vehicle covered under this insurance.**
