## 7. NOTES AND DECLARATION

### NOTES

Insurers pass information to the Motor Insurance Anti-Fraud and Theft Register, run by the Association of British Insurers (ABI). The aim is to help us to check information provided and also to prevent fraudulent claims. When we deal with your request for insurance, we may search the register. Under the conditions of your policy, you must tell us about any incident (such as an accident or theft) which may or may not give rise to a claim. When you tell us about an incident, we will pass information relating to it to the register.

Your insurance cover details will be added to the Motor Insurance Database, run by the Motor Insurers' Information Centre (MIIC). This has been set up to help identify uninsured drivers, and may be searched by the Police to help confirm who is insured to drive. If there is an accident, the Database may be used by Insurers, MIIC and the Motor Insurers' Bureau to identify relevant policy information.

You can ask us for more information about this. You should show this notice to anyone insured to drive the vehicle covered under the policy.

Note: The Motor Insurance Database does not contain any personal data that can be recovered by Insurers. However, as a statutory instrument (1972 SI No. 1217) allows the police to recover personal data from the database, customers and drivers must be made aware of its existence, purpose and use.

In the event that the vehicle is declared a total loss, the market value will be based on the average of CAP and Glasses Guides with an allowance for mileage/condition.

### DECLARATION

BEFORE SIGNING THIS FORM PLEASE READ CAREFULLY THE NOTES. COVER WILL NOT OPERATE UNTIL THE UNDERWRITERS HAVE ISSUED A COVER NOTE OR CERTIFICATE OF INSURANCE.

I/We understand that you will pass the information on this form and about any incident I/we may give details of to the ABI so that they can make it available to other Insurers. I/We also understand that, in response to any searches you may make in connection with this application or any incident I/we have given details of, ABI may pass you information it has received from other Insurers about other incidents anyone insured to drive the vehicle covered under the policy have been involved in.

I/We declare that the answers given above (on which the Underwriters will rely in deciding whether to accept the risk and in fixing the premium) are true to the best of my/our knowledge and belief, and that no information has been withheld by me/us that might influence the Underwriters acceptance and assessment of this insurance, and to accept a policy subject to the terms, conditions and exceptions contained therein. I/We declare that if any details or answers on this form have been written by another person he/she has acted as my agent.

- WARNING: If you are in any doubt about a particular fact being material to this insurance you should disclose it/them. Failure to disclose all material information may result in this insurance being void from inception - leaving you without insurance cover. You should keep a complete record (including copies of all letters) of all information supplied to the Underwriters for the purpose of entering into this Contract of Insurance. N.B. Material facts are those which an insurer would regard as likely to influence the acceptance and assessment of a proposal. Also the completion of this proposal does not necessarily mean that a 12 month policy will be issued.
- At your request a copy of this completed form will be supplied to you, provided the request is made within a period of three months after its completion.
- Underwriters reserve the right to decline any insurance or to change the premium and terms quoted.
